

REMARKS

A Notice of Allowance mailed May 20, 2005 allowed all of pending claims 1-46. However, Applicants felt that independent claims 33 and 43, along with dependent claim 34, would be more accurate if the term "distance" were changed to "height."

Applicants' representative, Robert E. Hunt, telephoned Examiner Shriver on July 21, 2005 to discuss the change. Examiner Shriver indicated the change was acceptable. Accordingly, the amendments to claims 33, 34, and 43 should be entered.

If it is determined that a telephone conference would expedite the prosecution of this application, the Examiner is invited to telephone the undersigned at the number given below.

In the event the U.S. Patent and Trademark Office determines that an extension is required, applicant petitions for any required relief including extensions of time and authorizes the Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to Deposit Account No. 23/2825 referencing docket no. B0932.70221US00.
